

For your safety, NASSCO requires that everyone entering the shipyard or other production locations wear the minimum Personal Protective Equipment (PPE) identified in this brochure.

**TRAFFIC**

Pedestrians DO NOT have the right-of-way in the shipyard and must yield to all vehicle and crane movement. BEWARE OF CRANE MOVEMENT AND SUSPENDED LOADS. No one shall travel under a suspended load and should keep a safe distance away. For example, if the load is 25 feet in the air, your distance away from the load should also equal 25 feet. All persons must remain back from suspended loads and take direction from the attending riggers (in yellow hard hats). DO NOT CROSS THE RAILROAD TRACKS IN THE STEEL YARD WHILE GATE 12 IS OPEN FOR THE BNSF TRAIN. Follow direction of the attending guard. CROSSING TRACKS DURING TRAIN ACTIVITY IS PROHIBITED. Vehicles with impaired vision to the rear are to be equipped with a backup alarm or have a spotter in the area of movement

The speed limit in the yard is:

There is no running in the yard

**REMEMBER**

Do NOT drive for 10 minutes at the end of 1<sup>st</sup> and 2<sup>nd</sup> Shift, weekdays and weekends.

Unattended vehicles must be unlocked with the key in the ignition.

NEVER park on green walkways or on the crane tracks!

## Minimum PPE For Transiting The Shipyard

### CLOTHING

The minimum clothing requirements while visiting or transiting the shipyard are:

- Shirts/Blouses
  - Must cover the entire torso
  - Must have at least short sleeves. (Tank tops and sleeveless shirts are not permitted.)
- Trousers/Pants must be full length with no portion of the leg exposed.

### FOOT PROTECTION

All persons entering the shipyard must wear sturdy all-leather shoes or boots that cover the entire foot and have a well-defined heel. The heel must be at least ¼" and no more than 1¾". With an arch in the center of the sole.

### HEAD PROTECTION

Hard hats must be worn in all production areas. Hard hats must meet the ANSI Z89.1 Standard. Cowboy-type hard hats are not allowed.

### EYE PROTECTION

Only safety glasses that meet the ANSI Z87.1 standard are acceptable and must be worn at all times in the shipyard. Dark lenses that hide the eyes are not allowed inside any vessel. **DO NOT STARE AT ANY WELDING ARC** since exposure can cause injury to your eyes.

### HEARING PROTECTION

Hearing must be protected at all times by wearing suitable ear plugs in production areas.

NASSCO PROUD. NASSCO STRONG.
