

**NASSCO Environmental Request Form #9:**

**Request for Authorization to Operate Non-Road Diesel Engines at NASSCO Facility**

**Instructions:** Before starting work, all operation of non-road diesel engines at NASSCO facilities must be approved by the Environmental Engineering Department. All parties seeking to operate non-road diesels must submit a completed and signed copy of this form to the NASSCO Environmental Engineering Department at [envreports@nassco.com](mailto:envreports@nassco.com). Operation of the engines **may not begin** until approval has been received. For questions, contact 619-544-7506.

<b>Company Name:</b>						
<b>Address:</b>						
<b>Ship or Project Name:</b>						
<b>Start Date:</b>				<b>End Date:</b>		
<b>Ship / Project Location:</b>		<input type="checkbox"/> NASSCO 28 <sup>th</sup> & Harbor Drive <input type="checkbox"/> Other: _____				
1. List non-road diesel equipment to operate at NASSCO:						
	Permit or Registration Number	Equipment Type (Compressor, Generator, Fire Pump, etc.)	Rented or Owned?		Permit or Registration Number	Equipment Type (Compressor, Generator, Fire Pump, etc.)
2. <b>For Non-Road Diesel Engines:</b> the Company listed on this form will be operating under NASSCO's Portable Equipment Registration Program (PERP) Permits. The Company shall acknowledge and comply with the following:						
<ul style="list-style-type: none"> <li>• The Company understands all requirements and conditions of NASSCO's PERP and Emergency PERP Permits and shall comply with all therein while operating at NASSCO.</li> <li>• The Company understands that they may be subject to citations and fines from the APCD for violations of district rules and/or NASSCO's Permit conditions.</li> </ul>						
Initial _____						
2c. The Company acknowledges that <b>only electric compressors</b> and EPA Tier 4-certified engines are authorized for use at NASSCO.						
<input type="checkbox"/> Acknowledged Initial _____						
2d. Will the non-road equipment be for emergency use (e.g. unexpected loss of power or utilities)? <i>Note: Planned temporary outages of utilities and production/deadline-related needs are NOT emergencies as defined by the Air Pollution Control District (APCD)</i>						
<input type="checkbox"/> Yes <input type="checkbox"/> No						
2e. Company acknowledges that all non-road diesel equipment (>49 hp) to be operated at NASSCO are registered with CARB.						
<input type="checkbox"/> Acknowledged Initial _____						

2e.	Provide copies of current (non-expired) equipment registration(s) to the Environmental Engineering Department before bringing the equipment on-site. <input type="checkbox"/> Registrations Attached to Form	Initial _____
2f.	Clearly post copies of the current CARB registration and a copy of NASSCO's PERP Permit(s), when provided, on the diesel equipment. <input type="checkbox"/> Information is Posted	Initial _____
3.	Company acknowledges that non-road diesel equipment may only use California (Low Sulfur) Diesel while operating at NASSCO? <input type="checkbox"/> Acknowledged	Initial _____
4.	Company has provided training on the following requirements to all employees that will operate non-road diesel engines at NASSCO or will provide such training before such operations begin:  <b>BMP #102 Emergency Response:</b> Outlines policies for reporting spills and medical emergencies. <b>POSTING OF PERMIT:</b> Copy of current, unexpired Permit must be posted on the Equipment. CARB-registered equipment must also display CARB-issued placard and registration sticker. <b>POLLUTION PREVENTION:</b> Diesel equipment must be maintained in good condition to prevent leaks or spills or excess emissions. <b>PROHIBITION AGAINST VISIBLE EMISSIONS:</b> Equipment must be operated in compliance with SDAPCD Rule 50, which prohibits visible emissions.	Initial _____
5.	Company acknowledges requirements to provide monthly summaries of engine runtime in hours and Title V compliance certification to the NASSCO Environmental Engineering Department. <input type="checkbox"/> Acknowledged	Initial _____
<b>CERTIFICATION:</b> <i>As an authorized representative for the company listed above, I hereby certify that the information provided herein is true, accurate, and complete to the best of my knowledge.
