

# GENERAL DYNAMICS

## NASSCO

### Inter-Department Memo

**DATE:** March 17, 2020  
**TO:** Distribution  
**SUBJECT:** COVID-19 Update for employees  
**FROM:** NASSCO Communications

---

General Dynamics NASSCO continues to closely monitor the events related to the novel coronavirus (COVID-19).

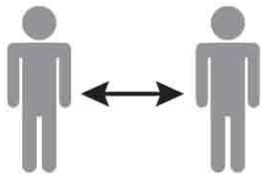

In order to prevent and/or limit the spread of the virus, we all need to:

- Maintain reasonable distance from one another, whenever possible.
- Wash our hands regularly. Additional hand-washing areas are located throughout the yard, bringing the total number to more than 100. We have also increased janitorial services.
- Avoid large gatherings. Events like SIGNs events, Fidelity, Blood Drive, Veteran's Network meetings etc. have been cancelled or postponed.
- Do not come to work if you are exhibiting flu-like symptoms or have been in close contact with someone confirmed positive with COVID-19. Contact HR at [HRCV19@nassco.com](mailto:HRCV19@nassco.com) or (619) 544-8585.

Please contact your supervisor if you have any questions regarding your work area.

With the rapidly changing developments of COVID-19, we will continue to communicate openly with our employees, suppliers, stakeholders and our community to keep them informed. Please see our latest updates here: [www.NASSCO.com](http://www.NASSCO.com). NASSCO employees can text "NASSCO" to 877-789-8398 for updates via SMS.

**OneNASSCO,**  
*we are all in this*  
**TOGETHER.**

Maintain reasonable distance from others

Wash hands regularly

With more than 100 hand washing areas in the yard, please use them regularly.

Avoid large gatherings

*Please contact your supervisor if you have questions about your work area.*
