Inter-Department Memo

DATE: March 18, 2020
TO: Distribution
SUBJECT: COVID-19 Yard update for employees
FROM: NASSCO Communications

General Dynamics NASSCO continues to closely monitor the events related to the novel coronavirus (COVID-19). Additional hand-washing areas are located throughout the yard in an effort to prevent/limit the spread of the virus.

Additionally, Moody's food trucks will be offering more grab-and-go food items in an effort to minimize the number of people congregating together during meal and break periods. Please remember to keep a reasonable distance from one another, whenever possible. We are all in this together.
