August 13, 2021

To Our Valued Suppliers:

Due to the recent increase of COVID-19 cases, and in our continued effort to ensure the safety and well-being of our workforce and valued suppliers and subcontractors, we are adjusting the facial covering requirement, effective Monday, August 16. All employees, regardless of vaccination status, will be required to wear a face covering while indoors. This includes on board ships and all areas with an overhead and four enclosed sides (e.g. interior spaces of buildings, office trailers, blocks, ships and vehicles).

‘Face covering’ means a surgical mask, a respirator worn voluntarily (e.g. N95/KN95), or a fabric material of at least two layers.

Face coverings must be clean, undamaged and worn over the nose and mouth. Scarfs, face shields, ski masks, balaclavas, sock hoods, bandanas, gaiters, or any single layer of fabric are not acceptable forms of face covering.

We ask for your continued cooperation and assistance to minimize the spread of COVID-19. It is important now more than ever that we meet this challenge together.

You may use the graphic below for instructing your personnel.

<p>Indoor Work Areas (areas with an overhead and four enclosed sides. Ex: interior spaces of buildings, office trailers, blocks, ships or vehicles)</p>	<p>Outdoor Work Areas (areas with no overhead and good natural ventilation or indoor areas with one or more sides fully opened. Ex: hanger bays, well decks or B&P cells with one side fully opened, BAL, Bldg 44 Repair Shop)</p>
<div style="text-align: center;">  </div> <p>Face coverings are REQUIRED except when:</p> <ul style="list-style-type: none"> • Alone in a room, vehicle or at workstation with partitions • Eating and drinking at least six feet away from others or at tables with partitions • Wearing respirators as necessary for the job <ul style="list-style-type: none"> • ACCEPTABLE face coverings: surgical masks, fabric material of at least two layers, or respirators worn voluntarily (ex: N95/KN95, P100) • UNACCEPTABLE face coverings: scarfs, face shields, ski masks, balaclavas, sock hoods, bandanas, gaiters, or any single layer of fabric 	<div style="text-align: center;">  </div> <p>Face coverings NOT required</p>
