1. General Dynamics NASSCO appreciates the material and services it receives from its trusted partners in the supplier base. We recognize that we cannot accomplish our mission without you, especially during an unprecedented event such as what we are experiencing now.
2. Please read the attached communications from the President of NASSCO to its employees, as well as from Under Secretary of Defense Lord, NAVSEA and SWRMC to industry. Because you are part of our supplier base, these letters are meant for you as well as NASSCO. Our nation is counting on us to maintain our normal work schedule. At the same time, we are committed to doing all we can to preserve the health and safety of our employees and our suppliers' employees while still continuing operations. **We are all in this together.**
3. NASSCO recently updated the questions that visitors are being asked prior to entering the shipyard. NASSCO may deny access to persons showing risk of exposure to COVID-19. Please screen your own employees using these questions before deploying to NASSCO.
4. Please keep us informed (email [business.controls@nassco.com](mailto:business.controls@nassco.com)) of any impacts you are experiencing that affect your ability to provide material and services to NASSCO Shipyard. We will keep you informed of new developments as they emerge. Updates are posted on our website at <https://nassco.com/coronavirus-covid-19-information-updates/>.
5. Thank you for continuing your service to NASSCO and our nation during these challenging and difficult times.
