

Boot World is NASSCO's safety boot supplier providing employees with more styles, better brands and more physical stores.

Boot World provides the following:

- 53 approved styles.
- 15% employee discount on other Boot World products (limitations apply).
- One-month comfort satisfaction warranty.
- Six-month sole wear warranty.
- Boot toe guard kit (conditions apply).
- Tune up upon request at the truck or in the store.

Until further notice, the boot truck will not be coming into the yard. See the Memo from Boot World for reopening information.

As a reminder, salaried and hourly production employees are eligible to receive a new pair of safety boots each year. Other employees may be eligible for boot replacement every three years. Please contact the Safety Department at Ext. 8444 with questions.
