Inter-Department Memo

DATE: March 18, 2021
TO: Distribution
SUBJECT: Updated: Reporting COVID-19 Vaccination to Medical
FROM: NASSCO Medical

We encourage all employees who have been vaccinated for COVID-19 to please report their vaccination status to the NASSCO Medical Department and provide a copy of the vaccination card. This information will be maintained in accordance with all medical record privacy requirements. If you are off-site, please email a copy of your card with your badge number to Jennifer.mcneal@nassco.com and medical will take care of it.

Please note that vaccines are not mandatory for NASSCO employees, but are highly encouraged. Getting the COVID-19 vaccine is an important step to assist in the prevention of getting sick with COVID-19. We care about your health and by getting vaccinated you will be doing your part to help end COVID-19 while positively influencing vaccination decisions of coworkers, friends, and family.

For questions or for more information about reporting your vaccination, please contact the Medical Department at ext. 8861. For all other vaccine questions, please contact your health care provider or consult the NASSCO [vaccination resource page](#) for additional information.
